Experience

FARM HAND | 08/2021 - Current

Steven Gunnel (Pecan Ridge Farms) - Cherryville, NC

- Cared for livestock by regularly feeding and watering animals.
- Cleaned and maintained animal pens by raking up manure and putting down fresh straw and hay.
- Plowed and tilled fields to prepare soil for crop planting.
- Maintained and repaired farming equipment to provide consistent usability, prime operational condition and alleviate downtime.
- Implemented troubleshooting methods to determine cause of malfunctioning equipment.
- Watered and fertilized crops consistently to promote healthy growth for later harvests.
- Repaired buildings, fences and other pertinent structures to keep animals properly contained.
- Cultivated soil on designated areas of land to refine and prepare for planting.
- Checked fields for rocks or other obstacles to prepare land for tilling and physical preparation for spring planting.
- Identified pests, weeds and plants to determine appropriate selection of pesticides and fertilizers.
- Assisted in breeding procedures for various farm animals.
- Handled various field tasks, including planting, irrigation, fertilization and pest control.
- Operated farm equipment, including pallet jacks, forklifts and farm boats.
- Checked feed and supply stock and notified manager of low inventory levels.
- Swept and blew aisle ways and used pressure washer to maintain and clean barn.
- Refilled feed and water for livestock, adhering to feeding schedules.
- Repaired barbed wire and electrified fences to keep animals contained.
- Sprayed crops with pesticides to reduce damage and control insects and other pests.
